LB 412 provides limited liability for volunteers within a governmental entity or within a nonprofit organization. LB 412 provides that to the extent a volunteer in the state would enjoy immunity under the Federal Volunteer Protection Act of 1997, that volunteer would be immune from civil liability if the organization for which that volunteer was acting has a general liability policy in force with a minimum coverage of \$1 million per person and \$5 million per occurrence. It would appear that any savings as a result of LB 412 would be to the individual volunteer.
